## Public Document Pack

### TANDRIDGE DISTRICT COUNCIL

### **INVESTMENT SUB COMMITTEE**

Minutes and report to Council of the meeting of the Committee held in the Council Chamber, Council Offices, Station Road East, Oxted on the 3 November 2023 at 10.00 am.

**PRESENT:** Councillors Langton (Chair), Booth, Botten, Chris Farr, Hammond, Alun Jones and O'Driscoll (Substitute) (In place of Cooper)

**ALSO PRESENT:** Councillors Gaffney

ALSO PRESENT (Virtually): Councillor Smith

**APOLOGIES FOR ABSENCE: Councillor Cooper** 

### 1. MINUTES OF THE MEETING HELD ON THE 16TH JUNE 2023

These minutes were approved and signed as a correct record.

# 2. SUMMARY INVESTMENT AND BORROWING POSITION AT 30TH SEPTEMBER 2023

A report with the investment analysis at Annexes A and B was presented. This confirmed that, at 30<sup>th</sup> September 2023:

- (i) total long term treasury investments (over 12 months) amounted to £10.7m
- (ii) short term investments (less than 12 months) amounted to £13m
- (iii) the Council also held £16.5m in non-treasury investments, comprising capital loans to specific service providers and limited companies
- (iv) the total amount of Public Works Loan Board (PWLB) loans was £99.4m, comprising £43.4m General Fund loans and £56m Housing Revenue Account loans.

Following consultation, the Government had extended the 'IFRS 9 statutory override' until March 2025. Consequently, the General Fund would continue to be insulated from gains and losses in the capital value of the Council's long-term investments in the following four funds:

- CCLA Property Fund
- Schroders Credit/Bond Fund
- UBS Multi Asset Fund
- CCLA Diversification Fund.

However, the Government's commentary on the consultation outcome suggested that the override might not be further extended. In that respect, the Council's Investment Performance Equalisation Reserve (IPER) would mitigate against the risk of reductions in the carrying value of the above funds from impacting upon the General Fund balance. At the previous meeting, it was noted that IPER surpluses could be released to the General Fund if and when confidence in the assets' market values recovered. The current carrying loss had increased to £1.5m and it remained uncertain whether market values would recover by the time the current override

elapsed. The Chief Finance Officer confirmed that the 2023/24 investment outturn report (to be submitted to the Sub-Committee early in the next financial year) would enable Members to consider options for utilising investment income and use of the IPER.

A Quarter 2 update on performance against the Council's treasury and other prudential indicators was also submitted. This included commentary on a new Public Works Loan Board discounted rate for Housing Revenue Account borrowing, made available from 15<sup>th</sup> June 2023. Advice would be taken from Arlingclose and the Centre of Expertise on whether accessing this rate offered good value. (The Council's HRA debt was currently funded by internal borrowing).

### **RESOLVED** – that the following be noted:

- A. the Council's investment and borrowing position at 30<sup>th</sup> September 2023 as set out in Annexes A and B:
- B. the Council's actual performance against the indicators set within the Treasury Management Strategy for 2023/24 in Annex C;
- C. the commentary from Arlingclose on the external context for treasury management; and
- D. the update on the performance of the Council's long-term treasury investments.

### 3. INVESTMENT PROPERTY UPDATE

The Sub-Committee resolved to move into 'Part 2' for this item in accordance with Paragraph 3 (information relating to financial or business affairs) of Part 1 of Schedule 12A of the Local Government Act 1972.

Latest information was presented about the commercial investment properties owned by the Council and its subsidiary company, Gryllus properties. The sites concerned were:

### **Gryllus properties:**

### 80-84 Station Road East, Oxted

The previous lease expired on the 17th September 2023 and a new lease was being negotiated.

### 30-32 Week Street, Maidstone

The terms of a lease to a new tenant were close to being agreed, with a schedule of refurbishment works ready to go to tender. A dilapidations claim was also being negotiated with the previous tenant, details of which were discussed. The Chief Finance Officer explained the implications of the reduction in rental income arising from the prospective new lease.

### Castlefield House, Reigate

Members were advised about the Council's potential approach to this asset in light of the next rent review and the intentions of the existing tenant.

### **TDC properties:**

### **Quadrant House, Caterham Valley**

Since the previous report, Subway had renewed its lease of 49 Croydon Road, details of which were shared with the Sub-Committee. It was also noted that Suite 1C Quadrant House North was being marketed following the departure of the previous tenant. An offer to let another area of Quadrant House and potential terms for renewal of the Workary lease were the subject of two separate items on the agenda.

### Village Health Club, Caterham on the Hill

The tenant, Freedom Leisure, had sought financial assistance from the Council for both this site and Tandridge Leisure Pool in Oxted. Members were updated about the Council's response to this request which, while falling short of direct financial support, included a grant application to England's Swimming Pool Support Fund. Concerns regarding the current inability to impose service delivery standards as part of the lease agreements (which were limited to property contracts) for these two sites were discussed.

### Council Offices, Oxted

Members were advised about a recent letting and two other lease renewals. Officers had continued to assess the scope for further lettings, together with potential solutions for increasing car parking capacity, and wished to instruct a local agent to begin marketing the surplus space. Potential options for assisting those working in the Council Offices to park elsewhere in Oxted were discussed.

### RESOLVED - that:

- A. the report be noted; and
- B. the Officers' initiative to lease more surplus space at the Council Officers be endorsed.

### 4. PROPOSED NEW SHOP LETTING

The Sub-Committee resolved to move into 'Part 2' for this item in accordance with Paragraph 3 (information relating to financial or business affairs) of Part 1 of Schedule 12A of the Local Government Act 1972.

A report concerning an offer to let three shop units in Quadrant House, Caterham was considered. Opposing arguments about whether the Council should accept the offer were debated, which concluded with the Sub-Committee voting against.

**RECOMMENDED** (to the Strategy & Resources Committee) that the offer from a prospective tenant to lease three shop units in Quadrant House be declined.

### 5. THE WORKARY LEASE RENEWAL

The Sub-Committee resolved to move into 'Part 2' for this item in accordance with Paragraph 3 (information relating to financial or business affairs) of Part 1 of Schedule 12A of the Local Government Act 1972.

Wimbletech, trading as 'The Workery', had been occupying a unit in Quadrant House, Caterham as a co-working office since August 2020. The original lease had expired on 12<sup>th</sup> August 2022 and officers had since been attempting to negotiate terms for a renewal. Negotiations had reached an impasse and Officers wished to seek guidance from the Sub-Committee on how to proceed. A report was submitted regarding officers' proposed terms for the renewal of Wimbletech's lease.

**RESOLVED** – that a renewal of the lease to Wimbletech be on the terms presented within the report.

Rising 12.08 pm

### Notes:

### 1. Yield Rate:

For Specified and Non specified Investments, this is the forecast return divided by net asset value as at 30/09/23; For Specified investments, this is the forecast return divided by the average investment value during the year

- 2. Gryllus share capital comprises of equity shares arising from loans granted
- 3. The period to maturity included for HRA borrowing is the weighted average for all loans outstanding.

### Prudential Indicators – Q2 2023/24

The 2021 Prudential and Treasury Management Codes require the Council to report on prudential indicators on a quarterly basis. These indicators report on capital expenditure, borrowing and commercial and service investments in light of overall organisational strategy and resources, and ensure that decisions are being made with sufficient regard to the long-run financing implications and potential risks to the Council.

### Table 1 – Estimates of Capital Expenditure

Capital expenditure refers to Council spending on assets such as infrastructure, property or vehicles that will be used for more than one year. In Local Government this includes spending on assets owned by other bodies and loans and grants to other bodies, enabling them to buy assets.

At Month 5 the Council was forecasting total capital expenditure for 2023/24 of £19.8m. This is a variance of £0.6m compared to what was reported in the 2023/24 Capital, Investment and Treasury Management Strategy. This is the result of unspent budget carry forwards from 2022/23 agreed since the Strategy was published, offset by forecast underspends in-year on Council House Building (£3.9m), Croydon Road Regeneration (£2.3m) and capital contributions to third parties from CIL (£2.1m).

	2022/23	2023/24 Estimate	2023/24	2024/25	2025/26	Total – 2023/24
	Actual	(Capital Strategy)	Forecast	Budget	Budget	to 2025/26
	£m	£m	£m	£m	£m	£m
General Fund services	4.9	3.8	3.7	2.8	1.8	8.2
Council Housing (HRA)	11.5	15.4	16.1	12.7	3.9	32.8
Total	16.4	19.2	19.8	15.5	5.7	41.0

### Table 2 – Capital Financing Requirement

The Council's cumulative outstanding amount of debt finance is measured by the Capital Financing Requirement (CFR). This increases with new debt-financed capital expenditure on service delivery and on investments and reduces with MRP and capital receipts used to replace debt.

The current estimated CFR for 2023/24 is £1.4m lower than what was estimated in the 2023/24 Capital, Investment and Treasury Management Strategy. This is based on forecast capital expenditure at Month 5, and is a result of forecast underspends on capital schemes, including those referenced in Table 1, which reduce the anticipated underlying need to borrow to finance them.

	31/03/2023	31/03/2024 Estimate	31/03/2024	31/03/2025	31/03/2026
	Actual	(Capital Strategy)	Forecast	Budget	Budget
	£m	£m	£m	£m	£m
General Fund services	46.9	47.6	48.0	48.1	47.7
Council Housing (HRA)	61.7	71.5	69.7	74.6	74.6
Total CFR	108.5	119.1	117.7	122.7	122.3

### Table 3 – Gross Debt and the Capital Financing Requirement

Statutory guidance is that debt should remain below the capital financing requirement, except in the short term. The Council has complied and expects to continue to comply with this requirement in the medium term as is shown below.

The current estimated level of gross debt is £6.1m less than what was estimated in the 2023/24 Capital, Investment and Treasury Management Strategy. This is based on forecast capital expenditure at M5, and is a result of forecast underspends on the schemes referenced in Table 1 which reduce the anticipated requirement to borrow to finance them.

	31/03/2023 Actual £m	31/03/2024 Estimate (Capital Strategy) £m	31/03/2024 Forecast £m	31/03/2025 Budget £m	31/03/2026 Budget £m	Debt at 30/09/2023 £m
Debt (incl. PFI						
& leases)	99.4	112.7	106.6	109.3	106.5	99.4
Capital						
Financing	108.5	119.1	117.7	122.7	122.3	
Requirement						

### <u>Table 4 – Debt and the Authorised Limit and Operational Boundary</u>

The Council is legally obliged to set an affordable borrowing limit (also termed the Authorised Limit for external debt) each year and to keep it under review. In line with statutory guidance, a lower "operational boundary" is also set as a warning level should debt approach the limit. These limits were set in the 2023/24 Capital, Investment and Treasury Management Strategy. The Council has complied with the limits at Q2 2023/24.

	Maximum	Debt at	2023/24	2023/24	Complied?
	Debt Q2	30/09/2023	Authorised	Operational	
	2023/24	, ,	Limit	Boundary	
	£m	£m	£m	£m	
Borrowing	99.4	99.4	150.0	140.0	
PFI and Finance Leases	-	-	-	-	✓
Total debt	99.4	99.4	150.0	140.0	

### Table 5 – Net Income from Commercial and Service Investments to Net Revenue Stream

The Council's income from commercial and service investments as a proportion of its net revenue stream has been and is expected to be as indicated below. This is unchanged from the 2023/24 Capital, Investment & Treasury Management Strategy.

		2023/24			
	2022/23	Estimate	2023/24	2024/25	2025/26
	Actual	(Capital	Forecast	Budget	Budget
	£m	Strategy)	£m	£m	£m
		£m			
Total net income from service					
and commercial investments	1.7	1.7	1.7	1.7	1.7
Proportion of net revenue					
stream	15%	14%	14%	14%	14%

### <u>Table 6 – Proportion of financing costs to net revenue stream</u>

Although capital expenditure is not charged directly to the revenue budget, interest payable on loans and MRP are charged to revenue. The proportion of financing costs to net revenue stream is expected to rise marginally compared to what was reported in the 2023/24 Capital, Investment & Treasury Management Strategy.

		2023/24			
	2022/23	Estimate	2023/24	2024/25	2025/26
	Actual	(Capital	Forecast	Budget	Budget
	£m	Strategy)	£m	£m	£m
		£m			
General Fund – Financing costs	2.3	2.0	2.3	2.0	2.1
Proportion of net revenue	20%	17%	19%	17%	18%
stream					

### Table 7 - Maturity Structure of Borrowing

This indicator is set to control the Council's exposure to refinancing risk. The upper and lower limits on the maturity structure of all borrowing are as below, all of which the Council complied with at Q2 of 2023/24.

	Upper Limit	Lower Limit	Actual at	Complied?
	2023/24	2023/24	30/09/23	
	%	%	%	
Under 1 year	15	-	3%	
1 to 2 years	15	-	3%	
2 to 5 years	25	-	13%	
5 to 10 years	50	-	20%	Yes
More than 10 years	50	-	4%	
Over 20 years	70	-	56%	
Total			100%	

### <u>Table 8 – Long-term Treasury Management Investments</u>

The purpose of this indicator is to control the Authority's exposure to the risk of incurring losses by seeking early repayment of its investments. Long-term investments with no fixed maturity date include strategic pooled funds, real estate investment trusts and directly held equity but exclude money market funds and bank accounts with no fixed maturity date as these are considered short-term. The prudential limits on the long-term treasury management limits are as below, and the Council has complied with these as at Q2 of 2023/24.

	2023/24	2024/25	No fixed date
	£m	£m	£m
Limit on principal invested beyond year end	16	16	16
Actual principal invested beyond year end	-	-	10.7
Complied?	Yes	Yes	Yes
