TANDRIDGE DISTRICT COUNCIL INTERNAL AUDIT PLAN 2024-25 (Q1)

**Prepared by: Neil Pitman, Head of Partnership
& Natalie Jerams, Deputy Head of Partnership**

March 2024

Introduction

The role of internal audit is that of an:

‘Independent, objective assurance and consulting activity designed to add value and improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes’.

The Council is responsible for establishing and maintaining appropriate risk management processes, control systems, accounting records and governance arrangements. Internal audit plays a vital role in advising the Council that these arrangements are in place and operating effectively.

The Council’s response to internal audit activity should lead to the strengthening of the control environment and, therefore, contribute to the achievement of the organisation’s objectives.

The aim of internal audit’s work programme is to provide independent and objective assurance to management, in relation to the business activities; systems or processes under review that:

- the framework of internal control, risk management and governance is appropriate and operating effectively; and
- risk to the achievement of the Council’s objectives is identified, assessed and managed to a defined acceptable level.

The internal audit plan provides the mechanism through which the Chief Internal Auditor can ensure most appropriate use of Internal Audit resources to provide a clear statement of assurance on risk management, internal control and governance arrangements.

Internal Audit focus should be proportionate and appropriately aligned. The plan will remain fluid and subject to on-going review and amendment, in consultation with the relevant Directors and Audit Sponsors, to ensure it continues to reflect the needs of the Council. Amendments to the plan will be identified through the Southern Internal Audit Partnership’s continued contact and liaison with those responsible for the governance of the Council.

Your Internal Audit Team

Your internal audit service is provided by the Southern Internal Audit Partnership. The team will be led by Natalie Jerams, Deputy Head of Southern Internal Audit Partnership and supported by Joanne Barrett, Audit Manager.

Conformance with internal auditing standards

The Southern Internal Audit Partnership service is designed to conform to the Public Sector Internal Audit Standards (PSIAS). Under the PSIAS there is a requirement for audit services to have an external quality assessment every five years. In September 2020 the Institute of Internal Auditors were commissioned to complete an external quality assessment of the Southern Internal Audit Partnership against the PSIAS, Local Government Application Note and the International Professional Practices Framework.

In selecting the Institute of Internal Auditors (IIA) a conscious effort was taken to ensure the external assessment was undertaken by the most credible source. As the authors of the Standards and the leading Internal Audit authority nationally and internationally the IIA were excellently positioned to undertake the external assessment.

In considering all sources of evidence the external assessment team concluded:

'The mandatory elements of the IPPF include the Definition of Internal Auditing, Code of Ethics, Core Principles and International Standards. There are 64 fundamental principles to achieve with 118 points of recommended practice. We assess against the principles. It is our view that the Southern Internal Audit Partnership conforms to all 64 of these principles.'

'We have also reviewed SIAP conformance with the Public Sector Internal Audit Standards (PSIAS) and Local Government Application Note (LGAN). We are pleased to report that SIAP conform with all relevant, associated elements.'

Conflicts of Interest

We are not aware of any relationships that may affect the independence and objectivity of the team which are required to be disclosed under internal auditing standards.

Council Strategic Plan 2020-21 / 2023-24

The Council have developed a Strategic Plan for 2020-21 to 2023-24 setting out four key priorities:

1. **Building a better Council** - making the Council financially sustainable and providing residents with the best possible services.
2. **Creating the homes, infrastructure and environment we need** – both now and in the future.
3. **Supporting economic recovery in Tandridge** – from lockdown to growth that everyone benefits from.

Developing the internal audit plan 2024/25 (Q1)

In accordance with the Public Sector Internal Audit Standards there is a requirement that internal audit establish a risk-based audit plan to determine the resourcing of the internal audit service, consistent with the organisation's goals.

Audit planning is a perpetual process throughout the course of the year to ensure we are able to react to new and emerging risks and the changing needs of the organisation.

To ensure internal audit focus remains timely and relevant, the Southern Internal Audit Partnership has moved to a quarterly planning process.

Based on conversations with key stakeholders, review of risk registers, key corporate documents and our understanding of the organisation, the Southern Internal Audit Partnership have developed a plan of proposed internal audit coverage during quarter 1.

The Council are reminded that internal audit is only one source of assurance and through the delivery of our plan we will not, and do not seek to cover all risks and processes within the organisation.

We will however continue to work closely with other assurance providers to ensure that duplication is minimised, and a suitable breadth of assurance is obtained.
