## **SUMMARY OF RELEVANT POLICIES & NATIONAL ADVICE FOR PLANNING APPLICATIONS IN APPENDIX A.**

### **Core Strategy**

Policy CSP1 sets several strategic aims in terms of the location of development. It seeks to promote sustainable patterns of travel, make the best use of land within the existing built-up areas.

Policy CSP2 sets out the Council's approach to housing supply.

Policy CSP3 seeks to manage the delivery of housing when the Council exceeds its rolling 5-year supply by more than 20%. When such an oversupply exists, the Council will refuse development of unidentified residential garden land sites of 5 units and above or site larger than 0.2ha where the number of dwellings is unknown. Account must be taken of smaller sites forming parts of larger sites and infrastructure provision as well as significant social or community benefits.

Policy CSP4 is an interim holding policy pending the adoption of a substitute policy in an Affordable Housing DPD. It sets a threshold within built up areas of 15 units or more or sites in excess of 0.5ha and within rural areas of 10 units or more. The policy requires that up to 34% of units would be affordable in these cases with the actual provision negotiated on a site by site basis. There is a requirement that up to 75% of the affordable housing will be provided in the form of social rented or intermediate or a mix of both.

Policy CSP5 refers to rural exception sites and states that exceptionally, land adjoining or closely related to the defined rural settlements which would otherwise be considered inappropriate for development may be developed in order to provide affordable housing subject to certain criteria.

Policy CSP7 requires sites providing 5 units or more to contain an appropriate mix of dwelling sizes in accordance with identified needs.

Policy CSP8 sets out the Council's approach to the provision of Extra Care Housing, including its targets for such provision.

Policy CSP9 sets out the criteria for assessing suitable Gypsy and Traveller sites to meet unexpected and proven need.

Policy CSP11 sets out the Council's approach to infrastructure and service provision.

Policy CSP12 seeks to manage travel demand by requiring preference to walking, cycling and public transport; infrastructure improvements where required and use of adopted highway design standards and parking standards.

Policy CSP13 seeks to retain existing cultural, community, recreational, sport and open space facilities and encourage new or improved facilities.

Policy CSP14 seeks to encourage all new build or residential conversions meet Code level 3 as set out in the Code for Sustainable Homes and that commercial development with a floor area over 500sq m will be required to meet BREEAM "Very Good" standard. On site renewables are also required.

Policy CSP15 seeks to ensure that the design and layout of development is safe and secure, that new buildings are adaptable for the disabled and elderly, that information technology can be included, that all development is accessible to all groups and that grey water recycling and/or segregated surface and foul water disposal is used.

Policy CSP16 sets out the Council's position on aviation development in the District with specific reference to its position on development at Redhill Aerodrome.

Policy CSP17 requires that biodiversity is taken into account.

Policy CSP18 seeks to ensure that developments have a high standard of design respecting local character, setting and context. Amenities of existing occupiers must be respected. Wooded hillsides will be respected and green space within built up areas protected. Development on the edge of the Green Belt must not harm the Green Belt.

Policy CSP19 sets a range of densities for new development.

Policy CSP20 sets out the Council's principles for the conservation and enhancement of the AONBs and AGLVs.

Policy CSP21 states that the character and distinctiveness of the District's landscapes and countryside will be protected, and new development will be required to conserve and enhance landscape character.

Policy CSP22 sets out how the Council will seek to develop a sustainable economy.

Policy CSP23 set out specific aims for the town centres of Caterham Valley and Oxted.

## **Tandridge Local Plan: Part 2 – Detailed Policies – 2014**

Policy DP1 sets out the general presumption in favour of sustainable development.

Policy DP2 sets out the policies for development in the town centres, including within the primary and secondary shopping frontages

Policy DP3 sets out the policies for development in local centres, other centres and villages

Policy DP4 sets out the circumstances under which proposals for the alternative use of commercial and industrial sites will be permitted.

Policy DP5 sets out criteria for assessing whether proposals are acceptable in relation to highway safety and design.

Policy DP6 sets out criteria for assessing proposals for telecommunications infrastructure.

Policy DP7 is a general policy for all new development. It outlines that development should be appropriate to the character of the area, provide sufficient parking, safeguard amenity and safeguard assets, resources and the environment, including trees.

Policy DP8 sets out a number of criteria for assessing whether the redevelopment of residential garden land will be acceptable.

Policy DP9 sets out the circumstances in which the erection of gates, walls and other means of enclosure will be permitted.

Policy DP10 confirms the general presumption against inappropriate development in the Green Belt and states that inappropriate development will only be permitted where very special circumstances exist which clearly outweigh the potential harm to the Green Belt by reason of inappropriateness and any other harm.

Policy DP11 sets out the circumstances in which development in the Larger Rural Settlements will be permitted.

Policy DP12 sets out the circumstances in which development in the Defined Villages in the Green Belt will be permitted.

Policy DP13 sets out the exceptions to the Green Belt presumption against inappropriate development in the Green Belt and the circumstances in which new buildings and facilities, extensions and alterations, replacement of buildings, infill, partial or complete redevelopment and the re-use of buildings will be permitted.

Policy DP14 sets out a number of criteria for assessing proposals for garages and other ancillary domestic buildings in the Green Belt.

Policy DP15 sets out criteria for assessing proposals for agricultural workers' dwellings in the Green Belt.

Policy DP16 states that the removal of agricultural occupancy conditions will be permitted where the Council is satisfied that there is no longer a need for such accommodation in the locality.

Policy DP17 sets out criteria for assessing proposals for equestrian facilities.

Policy DP18 sets out the circumstances in which development involving the loss of premises or land used as a community facility will be permitted.

Policy DP19 deals with biodiversity, geological conservation and green infrastructure.

Policy DP20 sets out the general presumption in favour of development proposals which protect, preserve or enhance the interest and significance of heritage assets and the historic environment.

Policy DP21 deals with sustainable water management, and sets out criteria for assessing development in relation to water quality, ecology and hydromorphology, and flood risk.

Policy DP22 sets out criteria for assessing and mitigating against contamination, hazards and pollution including noise.

## **Woldingham Neighbourhood Plan 2016**

Policy L1 is a general design policy for new development

Policy L2 sets out criteria for assessing new development proposals in relation to the Woldingham Character Areas

Policy L3 relates to landscape character

Policy L4 relates to proposals for new community facilities

Policy L5 relates to development proposals for The Crescent and its regeneration

Policy L6 seeks to support improvements to the accessibility of Woldingham Station

Policy L7 relates to the development of broadband and mobile communications infrastructure

Policy L8 seeks to safeguard a number of Local Green Spaces as designated by the Plan

Policy C1 seeks to promote residents' safety

Policy C2 seeks to support proposals and projects which improve local transport services

Policy C3 supports the improvement of pedestrian and cycle routes

Policy C4 supports proposals which promote networking and residents' involvement on local societies and organisations

### **Limpsfield Neighbourhood Plan 2019**

Policy LN1 sets out a spatial strategy for the Parish.

Policy LN2 requires that all new development provides an appropriate mix of housing types and size, including smaller units (3 bedrooms or fewer) for sites over a certain size.

Policy LN3 seeks a high quality of design, reflecting the distinctive character of particular areas of the Parish.

Policy LN4 relates to new development in the Limpsfield Conservation Area.

Policy LN5 relates to landscape character.

Policy LN6 identifies a number of Local Green Spaces, and seeks to protect their use.

Policy LN8 seeks to promote biodiversity.

Policy LN9 relates to business and employment, including in relation to Oxted town centre.

Policy LN10 relates to the rural economy.

Policy LN11 seeks to protect community services in Oxted town centre.

Policy LN12 seeks to protect community services in Limpsfield Village and other parts of the Parish.

Policy LN13 supports sustainable forms of transport.

Policy LN14 supports the provision of super-fast broadband.

## **Caterham, Chaldon and Whyteleafe Neighbourhood Plan 2021**

Policy CCW1 – gives support to proposals identified for their Housing Site Availability during the period 2015-2026

Policy CCW2 – supports proposals for sub-division of larger residential properties into one, two, three-bedroom dwellings

Policy CCW3 – supports proposals for housing which optimise housing delivery in accordance with guidance contained in the Urban Capacity Study and outlines density range of 30-55 dwellings per hectare for land not covered in the Urban Capacity Report.

Policy CCW4 – sets out that development is expected to preserve and enhance the character of the area in which it is located.

Policy CCW5 – sets out that development proposals which integrate well with their surroundings, meet the needs of residents and minimise impact on the local environment will be supported where they demonstrate high quality of design and accord with the criteria of this policy.

Policy CCW6 – support proposals which incorporate measures to deliver environmentally sustainable design to reduce energy consumption and mitigate effects of climate change in line with building design measures contained in the policy.

Policy CCW7 – supports proposals which provide incubator/start-up business space and/or establishes enterprise/business park developments.

Policy CCW8 – resists the loss of local and neighbourhood convenience shops unless justification is present on viability grounds. Proposals to improve the quality and appearance of shop fronts and signage will be supported which have regards to CCW6.

Policy CCW9 – proposals for recreational and tourism development including a Visitor Centre will be supported where the criteria of this policy are met. Proposals for the improvement of signage for local facilities will be supported provided they integrate with their surroundings.

Policy CCW10 – supports development proposals which do not have a significantly detrimental impact on locally significant views as listed/mapped in the Neighbourhood Plan (Figures 7.1, 7.2-7.5, with detailed descriptions in Appendix A).

Policy CCW11 – sets out that there are 22 areas designated as Local Green Spaces on the policies map for the Neighbourhood Plan. Proposals which demonstrably accord with development appropriate in the Green Belt will be supported.

Policy CCW12 – proposals for provision of allotments and/or community growing spaces will be supported where accessible and within/adjacent to defined settlement areas. The loss of such space will not be supported unless alternative and equivalent provision is provided.

Policy CCW14 – encourages proposals for new/improved community facilities where criteria in the policy are met. The loss of such facilities will only be supported if alternative and equivalent facilities are provided.

Policy CCW15 – proposals for the expansion of existing public houses to develop appropriate community-based activities will be supported subject to compliance with other relevant policies and provide the design is in keeping with local character/distinctiveness. Proposals for the change of use of public houses will only be supported if the use is demonstrably unviable.

Policy CCW16 – supports proposals for provision of both traditional consecrated and green/woodland burial sites provided the criteria of this policy are met.

Policy CCW17 – supports proposals which facilitate or enhance the delivery of health services on a pre-set list of sites (contained within the policy), except for those within the Green Belt. Proposals for relocation/expansion of health services will be supported where they satisfy the criteria of this policy.

Policy CCW18 – except on Green Belt land, proposals which facilitate and enhance existing schools and associated playing fields will be supported subject to compliance with the criteria in this policy (sub-paragraph A). Proposals for new schools will be supported where they satisfy the criteria of this policy (sub-paragraph B).

Policy CCW19 – supports new residential, commercial and community development proposals being served by superfast broadband (fibre-optic). Where this is not possible, practical or viable, the development should incorporate ducting for potential future installation.

### **Supplementary Planning Documents (SPDs) and Supplementary Planning Guidance (SPGs)**

SPG (Lingfield Village Design Statement), adopted in January 2002, seeks to ensure that the village retains its individuality and character through future development both large and small. It provides general guidelines for new development and requires amongst other things that the design of new buildings should be sympathetic to the style of buildings in the locality both in size and materials.

SPG (Woldingham Village Design Statement) adopted in September 2005 provides guidance for development within Woldingham. Residential extensions should respect the size and proportions of the original house and plot. Boundary treatments should maintain the rural street scene, imposing entrances are out of keeping, and front boundaries should be screened with plantings or have low open wooded fences.

SPD (Woldingham Design Guidance) adopted March 2011 and seeks to; promote good design, protect and enhance the high quality character of the area, and to apply design principles on a sub-area basis to maintain and reinforce character.

SPD (Harestone Valley Design Guidance) adopted March 2011 and seeks to; promote good design, protect and enhance the high quality character of the area, and to apply design principles on a sub-area basis to maintain and reinforce character.

SPD (Tandridge Parking Standards) adopted September 2012 sets out standards for residential and non-residential vehicular parking and standards for bicycle parking.

SPD (Tandridge Trees and Soft Landscaping) adopted November 2017 sets out the Council's approach to the integration of new and existing trees and soft landscaping into new development, and seeks to ensure that trees are adequately considered throughout the development process.

## **National Advice**

The National Planning Policy Framework (NPPF) constitutes guidance for local planning authorities and decision-takers both in drawing up plans and as a material consideration in determining applications. It sets out the Government's planning policies for England and how these are expected to be applied. It states that there are three dimensions to sustainable development: economic, social and environmental, and confirms the presumption in favour of sustainable forms of development which it states should be seen as a golden thread running through both plan-making and decision-taking.

The Government has also published national Planning Practice Guidance (PPG) which is available online and covers a number of policy areas and topics.
