Appendix 1

The Council is committed to improving equality and making the district a place for everyone. This means ensuring all actions taken by the Council contribute to equality. This report provides an EIA of the impact of the proposed (*please state proposal*) as set out in the Equality Act 2010.

The Equality Act 2010 updates and combines all previous discrimination legislation to reduce socio-economic inequalities by ensuring that certain groups with Protected Characteristics are supported and protected. Protected Characteristics are:

- Age
- Disability;
- Gender reassignment;
- Pregnancy and maternity;
- Race;
- Religion or belief;
- Sex;
- Sexual orientation; and
- Marriage and civil partnership (applicable only to the need to eliminate unlawful discrimination).

The Act also establishes the Public-Sector Equality Duty, which Tandridge District Council, as a public body, is required to follow. The Duty requires that in the exercise of its functions, Tandridge has due regard for the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a Protected Characteristic and those who do not; and
- Foster good relations between people who share a Protected Characteristic and those who do not.

Having due regard for advancing equality involves:

- Removing or minimising disadvantages suffered by persons who share a relevant Protected Characteristic;

- Taking steps to meet the needs of people who share a relevant Protected Characteristic that is different from the needs of people who do not share it; and
- Encouraging persons who share a Protected Characteristic to participate in public life or in any other activity in which their participation by such persons is disproportionately low.
