

Agenda Item 4.2 2024/784 - 35-41 Croydon Road, Caterham CR3 6PB

Third Party Comment summarised as follows: -

Looks like McDonalds the Quadrant no direct reference to the company though golden arches are the giveaway! Please ask McDonalds how they plan to control their rubbish. I live near the East Grinstead branch and road to the village is dumping ground for McDonalds rubbish, cups and associated packaging. If left to Tandridge to clear up I already litter pick around Station Road Dormans. Have written to McDonalds asking them for solution. If they don't offer you solution, reject the application.
