**LICENSING OBJECTIVES**

*Continued from previous page...*

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Ensure compliance with mandatory conditions set out in the Licensing Act 2003.

To properly and thoroughly record all reports and incidents of crimes or suspected crimes, faults on CCTV system, visits to the premises by any relevant authority, emergency service or other similar entity. Any disorder, refusal of service or ejection from the premises. This record will be available to Licensing officers upon request.

Regular staff training to include but not limited to an additional member having personal license training.

A well defined Management structure in place so as to ensure there is no confusion over the chain of command.

Staff meetings to discuss, amongst other matters, general and specific customers behavior which may give rise to social and other problems. Discussions on how to monitor and handle potential issues before their development into an incident.

Drink and drug abuse awareness education for staff and a mechanism to report and record such incidences or suspicions if and when they occur. To understand and ensure that any promotions do not encourage excess or binge drinking as this could lead to anti-social behavior, illness, violence or any unwelcome combination. Additionally the local community may suffer as result of staff complacency in this respect, particularly when a drinks promotion or special event is being held.

Challenge 25 is a good starting point for control and sends a direct message from the venue which reinforces the need for relevant and acceptable proof of age.

b) The prevention of crime and disorder

Staff are regularly reminded of the following red flags:

Underage Drinking, Drunkenness, Drugs, Violent and/or Anti-social behavior

Any of the above is reported to Management without delay to ensure that no escalation can be allowed take place and action is taken to remove or if appropriate detain the offenders in a calm and reasonable fashion. If necessary call the required emergency service or services and preserve any crime scene.

Provision of CCTV system with 30/31 day recording with public notices in prominent show.

Trained staff who recognize anti-social behavior likely to lead to disorder. Responsible Management and Supervision to ensure compliance with licensing conditions. Implementation of Incident Recording Policy. Application of Challenge 25 to prevent underage drinking with the appropriate signage in place to ensure awareness and to prevent customer confusion when employing the policy. Maintain refusal record book. When required only SIA Licensed and Registered door staff are contracted.

Toughened glass is the standard and when required or appropriate the use of plastic glasses.

Lockable secure deposit box for confiscated items.

c) Public safety

All regulatory public safety measures are in place: Fire, Health and Safety, Fire Risk Assessment and Emergency Plan.

Staff fully briefed on procedures required in the event of an emergency.

Ensure occupancy is monitored and capped in accordance with agreed capacity and ensure sufficient staff on duty to supervise and maintain safety of patrons. Provision of CCTV system with 30/31 day recording .

First aid facilities and a premises accident book is maintained.

Toughened glass is the standard and when required or appropriate the use of plastic glasses.

Regular testing of procedures and appliances etc.

d) The prevention of public nuisance

The layout of the property and its position at the end of the High Street is such that noise has not historically affected neighboring residents, however a noise (DB) measuring device is used regularly to monitor sound both inside and outside the venue to ensure any sound from the building is at acceptable level. Good parking is available on site and is situated to the rear of the property substantially away from other property. The car park is well lit and access is easy and straightforward. Patrons are reminded to be respectful of our neighbors and village when leaving the premises whether on foot or by car and signage acts as a further reminder. There are existing arrangements with a number of Taxi companies for

*Continued from previous page...*

the collection of patrons throughout the evening when required. Windows are closed during event nights. We are currently looking to fit secondary double glazing (subject to listed building rules) over the next 12 months . Fans are in place to assist with ventilation, airflow and comfort. The outside patio area overlooks the car park and the adjoining fields and is not close to or connected with any other property and is regularly checked as routine. CCTV is in place on the High Street elevations and Patio area.

Patrons are discouraged from gathering outside the premises and if and when necessary politely moved on.

There are rubbish bins and cigarette disposal units available on the patio. All rubbish is cleared regularly.

Commercial rubbish is taken by contractors during normal working hours so as to ensure noise is not an issue.

e) The protection of children from harm

Employment of the Challenge 25 policy for which there will be adequate signage.

Customers attempting to buy for underage will be refused service and advised of the consequences of such action.

Staff with the training spot underage customers and handle their refusal professionally and properly record the event.

Children must be accompanied by 'responsible' adults and in normal circumstances will be required to leave the premises by 9.00pm. (Hotel guests eating in the restaurant are provided with more latitude)

Children at a certain age will be excluded from events that may not be suitable for their age. (For example a comedy night).

Proof of age must be in an acceptable format e.g. Driving License or other Government Photo ID.

Ensure that staff numbers are always sufficient to provide children vigilant protection from harm when on the premises.

The venue is clear as to the conduct required of children and their responsible adults when on the premises.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
