Council Tax Principles:

- 3. **Note that** each year, the Council must decide if its proposed Council Tax increase is excessive, and if so whether a referendum must be held in relation to that amount. Whether the proposed increase is excessive must be decided in accordance with a set of principles determined by the Secretary of State (SoS), referred to as referendum principle. In December 2021 the SoS for Levelling Up, Housing and Communities, The Rt Hon Michael Gove, set the Council Tax referendum principles of:
 - For a shire district like Tandridge District Council: A core principle increase of up to 2% or £5.
 - For councils with responsibility for adult social care like Surrey County Council:
 - A core principle increase of up to 2%
 - Adult Social Care (ASC) precept a further 1%, on top of the core principle.
 - Councils can also use part or all of their deferred 2021/22 ASC precept for use in 2022/23. For Surrey County Council this deferred flexibility is 2.5% on top of the two amounts above.
 - For a Police & Crime Commissioner: A core principle increase of up to £10
 - For a Parish: Uncapped
