APPENDIX H4

Mrs Sara Nogosek

I am writing once again to object to the licensing application for the above property.

I have already laid out my objection to this venue serving alcohol and this was upheld. This application is using a different venue name and shorter hours, however my objections are still the same.

The outdoor area is surrounded by family housing and young children and we would still be adversely affected by the noise and disruption. Although the hours have been reduced, I do not want my young children playing in our garden listening to the noise and language that comes from a venue serving alcohol all day.

Again, there is potential for an increase in crime and antisocial behaviour. Something I do not want around my children.

There are 8 licensed venues in Lingfield and I do not feel we need anymore.
