Audit & Scrutiny Committee - 4 April 2023 - Standing Order 30 Question

Question from Councillor Cooper and response from the Chief Finance Officer

Question

Please could you provide me with the final audited figures or latest estimates for TDC, i.e. two figures, for

- 1) the final surplus/deficit figure
- 2) the final published reserve figure

for each of the following financial years:

- 2019/2020
- 2020/2021
- 2021/2022
- 2022/2023

Response

The Council's revenue budget outturn figure is as follows for the most recent four financial years:

- 2019/20 £1.991 deficit
- 2020/21 £0.885m surplus
- 2021/22 £0.458m surplus
- 2022/23 As reported to S&R on 30th March, the Council is expecting a balanced outturn, which is comprised of a £0.394m committee deficit, offset by £0.484m of budget contingencies.

The Council's general fund reserve figures are as follows:

- 2019/20 closing balance (after the £1.991m deficit) £2.6m
- 2020/21 closing £2.8m
- 2021/22 closing £2.8m
- 2022/23 closing £2.8m (expected)

The general fund has remained relatively stable following the deficit in 2019/20, as surpluses have mainly been transferred to a series of earmarked reserves, depending on decisions made by Strategy and Resources Committee at outturn. The full reserve movements are presented as an appendix to the Council's budget each February.
